UNFOLDING THE MYSTERY

There are many things that we all believe yet do not experience. We all want victory, yet few find it. One of our greatest frustrations is that much of what we believe really doesn't work. Too often we spend our lives struggling with the same issues. The feeling of defeat can be agonizing.

It is as if we are caught in a maze of formulas and rules. We know there is something missing, but we're not sure what. In our search for truth, we lose our way in the dos and don'ts of religion.

Christians everywhere have been missing the truth of the gospel and the result is defeat and frustration!

Leadership consultant, George A. Goens made a beautiful observation when he said, "The world calls for leadership that helps us all be the people we are called to be." It is our desire to do just that!

From the inception of Divine Choices our belief has been that God would help us unfold the mystery of "Christ in us, the hope of glory" and that as this revelation came alive to the hearer, it would help them conquer their personal issues instead of enduring them.

It has been our prayer that people would find the power to overcome instead of repeatedly seeking forgiveness.

It has been our prayer that as this mystery was revealed, it would bring the believers to the level of Christian living that Jesus called "easy and light."

We enjoy the fruit of our labor as we continually witness participants of "Breaking the Silence: Healing the Wounds" transform from darkness to light.

WE NEED YOUR HELP

We have all lived through what seemed to be impossible situations.

Statistics have shown that people spend a certain percentage of their time worrying about things they can do nothing about.

They spend a certain amount of time thinking about things from their past. They spend a certain amount of time concerned about what others are going to do or what others may be thinking.

They spend a certain amount of time thinking about things that are never going to happen.

In the end they realize that what we are upset about is not really accurate anyhow.

We cannot afford to spend our life driving in the rearview mirror. We can't do anything about the past, but we can do something about how we are going to walk with God.

We need to learn how to trust God in the good times as well as the bad. We need to learn how to prosper in troubled times.

Some statistics have revealed that as much as 92% of Christians in America believe that the bible is the absolute word of God, yet, only 3% of those same people tithe to their local church. This is amazing!

If we believe that God's word is true and that he is our source, are we willing to prove it through our actions? Prospering in troubled times takes faith!

Ecclesiastes 11:4 says; "If we wait for perfect conditions, we may never get anything done."

Ecclesiastes 11:1-2 says; "Give generously for your gifts will return to you later. Divide your gifts among many, for in the days ahead you yourself may need much help."

Then in verse 6 of the same chapter we read, "Keep on sowing your seed, for you never know which will grow-perhaps it all will."

As we move forward in this ministry we could very much use your help. Won't you consider planting some seed today? Can we trust God together that He will supply all of our need according to His riches in glory by Christ Jesus? Can we believe that Christ will do exceeding abundantly above all that we could ask or think? Could it be true that God really does care and that He, in fact, will help us just like He says? Could it be that God is really concerned about our financial situation and that when we do give, it will come back to us on every wave? WOW!

Please believe with us and send a generous gift today to help those who are struggling to break the silence and heal the wounds.

There are many doors open to us as we continue to walk out our faith in what we believe God is calling us to.

We are hearing tremendous testimonies of breakthroughs in the lives of people who are reading our book, The Lie that Bind's."

Many are interested in becoming involved in our 16-week program as we travel the country.

We are scheduled to be in Bethel Alaska where we believe God has prepared people to receive a healing touch.

Won't you help us today? We look forward to you partnering with us to reach those who have been tormented from childhood sexual abuse.

We covet your prayers for Divine Choices.
