DIVINE NEWS

December 2007

*Claire Heath,
President*

Warmest greetings to you and your family! As you may know, my brother Larry Sault and myself started a non-profit called Divine Choices.

Divine Choices is a Christian based program whose mission is to empower Christian adults to become healed from the

long term effects of sexual abuse. We offer a sixteen week program that addresses the root and the heart issues surrounding the effects that someone else's sin (Sexual Abuse) has had on the individuals life. The first ten weeks of our program is an in-depth study that teaches practical application of scripture while engulfing the individual into their identity in Christ Jesus and what that means in a real way to them. This is an active participatory group with discussion each week on the material.

During the last six weeks, each participant will be carefully matched up with a volunteer who will commit to contacting the participant of our program one to two hours a week to insure that they are following through on applying the tools and remaining steadfast in the new direction of continuous healing that God has in store for them.

We are working diligently at meeting with Pastors of various local churches and establishing speaking engagements to get the word out to the local community while fundraising at the same time.

I am running the women's program while Larry, is running the men's program. I will be starting with my first group in this next couple of weeks and I'm still accepting referrals/applicants to our program so send your referrals our way. If you'd like us to send you some brochures, please email us with your mailing address.

We are still in need of volunteers to mentor our participants.

Please pray about it and wait upon the Lord to see if this is an area, where he could use your gifts. The commitment to the participants would be for six week and approximately 1-2 hours a week. We provide training to our volunteers to insure they understand the in-depth study that each participant will have gone through during the first ten weeks. We also need prayer partners who will commit themselves to praying for the needs of our program and the organization's vision to be brought to fruition, along with our financial needs. The basic material cost per participant is \$60 each for books copies etc. We are also in the process of setting up a creative fundraising strategy and seeking speaking engagements where we can convey our vision to potential donors.

Please feel free to contact us or view our website for more in-depth information. In the meantime, if you have referrals or would like to make a donation to our organization, you can do so on-line when you log onto to our website. Or, if you have leads that might create a potential partnership with us, please call me at 949.290.1296 or Larry at 949.975.3675.

Larry Sault, CEO

Thank you so much for your prayers and support as we press on forward to glorify the KING and may our Lord bless you and honor your prayers like the scriptures say he will.

We covet your prayers.
